

Rainer Becker

Member of the IHI JU Governing Board

**Deputy Director General for Health
responsible for Directorates B, C and D -
Medical Products and Innovation in the
Directorate-General for Health and Food
Safety at the European Commission**

Rainer Becker is director in the European Commission's DG SANTE where he heads the directorate for Medical Products and Innovation, responsible for implementing Europe's Pharmaceutical Strategy, for instance, through the revision of pharmaceutical EU legislation and policy initiatives on availability of medicines. His directorate also leads the Commission's policy work on medical devices and veterinary medicines. Prior to his current position, Rainer, amongst others, was in charge of antitrust enforcement in the area of pharmaceuticals and health in the Commission's DG Competition.
