

Saila Rinne

Alternate Member of the IHI JU Governing Board

Acting Head of Unit ‘eHealth, Well-Being and Ageing’ of the Directorate ‘Digital Society, Trust and Cybersecurity’ within the Directorate-General for Communications Networks, Content and Technology at the European Commission

Saila Rinne is the Acting Head of Unit “eHealth, Well-Being and Ageing” at the Directorate-General for Communications Networks, Content and Technology (DG CONNECT) of the European Commission.

Her unit deals with policies and projects that foster digital capacities and data-driven solutions and promote innovative tools, services and products for the benefit of efficient health and care delivery and citizens’ empowerment in managing their own health.

She has been working for the European Commission since 1997. Her educational background is in languages and translation, and she started her career in the Commission as a translator and terminologist. Before joining her current unit in 2019, she worked in the data policy and innovation unit of DG CONNECT.
