

Christina Miltiadous

**Member of the IHI JU
States Representatives Group**

Research and Innovation Officer

**Deputy Ministry of Research,
Innovation and Digital Policy, Cyprus**

I currently work for the Deputy Ministry of Research, Innovation and Digital Policy as a Research and Innovation Officer.

I am participating in the configuration of the Program Committee for the Widening Participation under Horizon Europe in Cyprus Deputy Ministry of Research, Innovation and Digital Policy.

I am in charge of overseeing several participations to European Research Infrastructures, including IHI, to make sure Cyprus stakeholders are aware and informed. I also am a member of the SPC working group of EU Mission on Cancer.

I am also actively involved in National Committees and Work Groups that promote the research ecosystem in Cyprus.
